5	Chowan Basin Soil and Water Conservation District	\$ 7,415.00	0.04%	One	The District conducts a Farm Day for second and third grade students in Sussex County each year. This provides students with the opportunity to visit a local working farm and learn about conservation. Students also learn that their food, clothes, and other everyday items come from a farm and start with soil and water. The District also sponsors an Envirothon team made up of local high school students. This competition provides students with the opportunity to study in-depth environmental issues that are beyond the scope of a normal science class. Chowan Basin SWCD awards scholarships to Sussex County high school seniors who are continuing their education in an environmental conservation related field. The District offers tire and oil recycling programs that allow farmers an opportunity to dispose of used tires and motor oil safely at no cost to them. This protects the county's soil and water by keeping pollutants out of forests, rivers, and landfills. The District also offers the Precision Ag Soil Sampling Program to assist farmers and landowners with the cost of grid or zone sampling, thus reducing the over-application of nutrients.	- Application complete - Funding request is identical to FY2024 funded amount
6	Community Coalition of Sussex Virginia	\$ 7,500.00	less than 1%	One	We request funding to assist with the purchase of food for our monthly foodban, funds to purchase items for our "Back to School Event," to help purchase and deliver prepared dinners for the elderly citizens of Sussex County, to assist with our annual Christmas Toys for Tots give away at Sussex Central Elementary. It will also provide funds that will go towards the Youth Day/Career and Job Fair Day that we partner with the Sussex School System on.	- Application complete - Funding request is 50% greater than FY2024 funded amount
