

**For Immediate Release - January 25, 2018**

Sussex County, Virginia – Dominion Energy recently donated Energy Efficiency Kits to the Sussex County Department of Social Services to distribute to Sussex County residents. Each Energy Efficiency Kit includes information about saving energy and a variety of energy-efficient items that can be easily installed in the home to save on lighting, heating and cooling, water or other energy-related costs.

Energy Efficiency Kits are available at no cost. "The Energy Efficiency Kit makes saving energy at home more affordable," said Patrick S. Plourdé, Director of Social Services. "With valuable energy-saving tips and supplies, the kit provides additional tools to help our residents save money on their utility bills and make simple improvements to save energy throughout the home."

Eligibility Requirements:

- Energy Efficiency Kit will be distributed on a first-come, first-served basis until kits are depleted;
- One kit per household; and
- Must be a resident of Sussex County and at least 18 years of age.

To receive your free Energy Efficiency Kit, stop by the agency during normal business hours, Monday – Friday, 8:00 a.m. – 5:00 p.m., excluding state holidays.
