

WAVERLY SOLAR PROJECT COMMUNITY OPEN HOUSE

Date: Mon., Aug 6, 2018
Location: Empowerment Temple Church
219 N. County Drive Waverly, VA
Time: Between 6:30pm and 8pm

Project Details

First Solar LLC, a leading global provider of comprehensive photovoltaic (PV) solar systems, has applied for local permits to develop a 118-megawatt (MW) alternating current (AC) photovoltaic (PV) solar project in Sussex County.

The project will be located on approximately 2,000 acres southwest of U.S Route 460, approximately one to three miles southwest and west of Waverly in Sussex County. If approved, construction of the project is expected to begin in late 2019, with operations starting in late 2020.

Open House

First Solar is committed to keeping the community informed. This event is an opportunity for local residents to learn about the project, learn about solar energy, and meet members of the First Solar team. All members of the community are invited to stop-in at any time during the open house. Light refreshments will be served.
